**INVISINET™ APPLICATION HARDWARE**

IMAGE	NAME	ITEM #	DESCRIPTION
	Cable	AC250 AC500	1/16": 7 x 7 stranded cable available in stainless steel or galvanized. 250ft roll 500ft roll
	Tensioners	TG M6 TG M5 TSS M6 TSS M5	Large, galvanized. Sold individually. Small, galvanized. Sold individually. Large, stainless steel. Sold individually. Small, stainless steel. Sold individually.
	Eyebolts	EB EBSS	Yellow passivated anodized Stainless Steel Sold individually

	Ferrules	NF	Nickle-coated copper 1/16" recommended for use with stainless steel cable. 100 per packet
	Masonry Wood Stone	CLIP	Clip with plastic anchor and stanless steel screw.
	Sheet Metal	SMSC	Clip with a hex head sheet metal screw. 100 per box.
	Steel	CSS	Clipset Steel — requires a powder actuated tool such as a Hilti or Ramset for application. 100 per box.
	Stucco GFRC Sheet rock	SA	Clip with Stucco anchor and screw. 100 per box.
	Special Surfaces	CNS	Clip without screws and anchors: user selects and sources their own fixing. 100 per box.
	Roof Tiles	DC	Deter Clips. Also used to attach netting to tiles, etc. 100 per box.
	Universal Clamp	UC	Steel clamp to be used as the end anchor for cable to steel or aluminum beams. Can also be used as an intermediate anchor.
	Beam Clamps	BC-1 BC-2 BC-3	Use only as a "hammer-on" intermediate anchor to steel or aluminum beams. Available sizes: 1/8"-1/4" 5/16"-1/2" 9/16"-3/4 100 per Box.
	Magnet Clip	MGNT	Designed to clamp netting or cable to steel beams. Perfect for roller doors. Use with adhesive such as Hot Foot Gator Grip for a permanent attachment. Sold per piece.
	Netlock	NL	To attach netting to sheet metal etc. where holes cannot be drilled. Can also be used to attach net to masonry by pre-treating with Netlock Primer. 100 pair per box.

	Netlock Primer	NLP	Rubber-based aerosol adhesive. Spray onto masonry to bind the outer layer suitable for attaching Netlock. 14oz can sold individually.
	Cable Ties	CT	Used to attach netting to cable. Also to hold Electrak lead-out wire to wall plugs. 5" long, black with u.v. inhibitors and high breaking strain. 100 per bag.
	Wall Plugs	WP	Medium weight, black plastic anchor. Suitable as a wall mount for securing Electrak lead-out wire and Invisi-Net cable. Non corrosive. 10 per Bag
	Hog Ring Stapling Tool	HR7	Continuous feed of hog ring staples. Used to apply hog rings to clamp Invisi-Net to perimeter cable. Sold individually.
	Hog Rings	HRS HRG	Hog Rings Available in stainless steel and galvanized. 2500 per Box
	Crimping Tool — with 3 crimp slots and end cutter	CRIMP	Used to crimp net ferrules and Electrak connector crimps. Sold Individually.
	Cutting Tool	CUTR	Heavy duty "parrot beak" style cutter with jaw lock. Sold Individually.
	Net Hooks	NH	Used to make an access slice in a net. Low visibility s-hooks with a "Snap-On" at one end to prevent the clip from falling off the net. Other end is open for easy grab of strand. 100 per bag.
	Zippers	ZPR18B ZPR18S ZPR48B ZPR48S ZPR72B ZPR72S	18" black zipper 18" stone zipper 48" black zipper 48" stone zipper 72" black zipper 72" stone zipper
	Universal Bracket Small	UBS	End anchor and in-line intermediate fitting for masonry, sheet metal or stucco surfaces. 100 per box

Universal Bracket Large

UBL

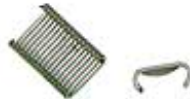

End anchor and in-line intermediate fitting to be attached using adhesive for GFRC and foam, etc. surfaces..  
100 per box

Pneumatic Hog Ring Tool

C31

Uses compressed air to extrude and crimp hog rings. Requires 85psi air pressure.  
Sold individually.

Pneumatic Hog Rings Small

PSS

10,000 per box

Pneumatic Hog Rings  
Large

PSL

11,250 per box
